Report of Independent Auditors

The Board of Directors
The Susan G. Komen Breast Cancer Foundation, Inc.

We have audited the accompanying consolidated financial statements of the Susan G. Komen Breast Cancer Foundation, Inc. dba Susan G. Komen and Affiliates, which comprise the consolidated statements of financial position as of March 31, 2014 and 2013, and the related consolidated statements of activities, cash flows, and functional expenses for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in conformity with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free of material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying consolidating statement of financial position by affiliate, consolidating schedule of revenue by affiliate, and consolidating schedule of functional expenses by affiliate are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the consolidated financial position of The Susan G. Komen Breast Cancer Foundation, Inc. dba Susan G. Komen and Affiliates at March 31, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended, in conformity with U.S. generally accepted accounting principles.

Notes to Consolidated Financial Statements

March 31, 2014

1. General Information and Summary of Significant Accounting Policies

General Information

The Susan G. Komen Breast Cancer Foundation, Inc. doing business as Susan G. Komen and Affiliates (the Organization), a Texas not-for-profit corporation, was incorporated in July 1982. The primary mission of the Organization is to eradicate breast cancer as a life-threatening disease by advancing research, education, screening, and treatment. Research advancement is achieved through relationships with medical and cancer centers throughout the United States, as well as internationally. Treatment and screening programs, primarily funded through the Organization's Affiliates, produce affordable treatment and screening for the medically underserved and other target populations. The Organization's reach has expanded tremendously since its inception, due in large part to the Komen Race for the Cure® Series (the RFTC Series) and other fund-raising programs and events, as well as the Organization's many donors, corporate partners, and educational initiatives and materials. As a result of this heightened awareness of breast cancer, millions have received the life-saving message of early detection.

The consolidated financial statements of the Organization include the activity of the Organization's International Headquarters, the Susan G. Komen for the Cure® Advocacy Alliance (the Alliance), and 117 and 119 Affiliates in 2014 and 2013, respectively. All significant intercompany accounts have been eliminated in the accompanying consolidated financial statements.

The RFTC Series, a series of 5K and one-mile walk/runs, was held in 138 and 136 cities across the United States during 2014 and 2013, respectively, and is the Organization's primary source of revenues. The Breast Cancer 3-Day Series (The 3-Day Series), a series of 60-mile walks over a three-day period, was held in 14 cities across the United States in both 2014 and 2013.

Up to approximately 75% of the net proceeds generated by the Affiliates are used to fund breast cancer education, treatment, and screening projects within local communities. The remaining 25% is used to fund breast cancer research and project grants on a national level.

1. General Information and Summary of Significant Accounting Policies (continued)

International Affiliates of the Organization operate in Italy, Germany, and Puerto Rico under three separate International Affiliate Agreements. The financial statements of the three international Affiliates are not included in the accompanying consolidated financial statements since the Organization does not currently exercise economic or board-controlling interests over any of these Affiliates.

Basis of Presentation

The accompanying consolidated financial statements have been prepared on the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States for not-for-profit organizations. Under these provisions, net assets, revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Expenses are classified as unrestricted. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

- *Unrestricted net assets* – Net assets that are not subject to donor-imposed stipulations. Unrestricted net assets may be designated for specific purposes by action of the Board of Directors.
- *Unrestricted net assets, board-designated* – Unrestricted net assets designated by the Board of Directors as restricted for mission expenditures.
- *Temporarily restricted net assets* – Net assets subject to donor-imposed stipulations that will be met either by actions of the Organization and/or the passage of time. When a restriction is satisfied or expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statement of activities as net assets released from restrictions. Contributions received with donor-imposed restrictions that are met in the same year as contributions are received, are reported as revenues of the unrestricted net asset class.
- *Permanently restricted net assets* – Net assets subject to donor-imposed stipulations for which the corpus is maintained permanently by the Organization. Generally, the donors of these assets permit the Organization to use all or part of the income earned on related investments for general or specific purposes.

1. General Information and Summary of Significant Accounting Policies (continued)

The Organization prepares a consolidated statement of financial position, consolidated statement of activities, and consolidated statement of cash flows as the required financial statements for not-for-profit organizations. The consolidated statements of functional expenses for 2014 and 2013 are also included as a supplement to the required financial statements.

The Organization reports gifts of property and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as temporarily restricted revenue. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Contributed Goods and Services

Total contributed goods and services for the years ended March 31, 2014 and 2013, were approximately \$65,001,000 and \$67,681,000, respectively, and primarily relate to local television, radio and newspaper advertising for the RFTC Series events. Contributed materials and equipment are reported as contributions in the accompanying consolidated financial statements at their estimated fair values at date of receipt. Contributed services are reported in the accompanying consolidated financial statements at the fair value of the services received. The contribution of services is recognized if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills that are provided by individuals possessing those skills that would typically need to be purchased if not provided by donation.

In addition, the Organization receives services from a large number of volunteers who give significant amounts of their time to the Organization's programs, fund-raising campaigns and management. No amounts have been reflected for these types of donated services, as they do not meet the criteria outlined above.

Contributions

Contributions, including unconditional promises to give, are recorded when received or pledged. All contributions are available for unrestricted use unless specifically restricted by the donor. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash on hand and all highly liquid investments with a remaining maturity of three months or less when purchased.

Investments and Investment Revenue Recognition

Investments in equity securities with readily determinable fair values and all investments in debt securities are reported at fair value.

Investment income includes dividends and interest and is recognized as revenue in the period in which it is earned. The amounts are reported as an increase in unrestricted net assets unless otherwise restricted by the donor. Realized and unrealized gains and losses on investments are classified and recorded as increases or decreases in unrestricted net assets, unless otherwise restricted by the donor.

Property, Equipment, and Intangible Assets

Purchased property, equipment, and intangible assets are carried at cost. Donated property, equipment, and intangible assets are recorded at market value at date of donation. The Organization capitalizes all expenditures for property, equipment, and intangible assets in excess of \$10,000, which includes computers, software, office equipment, furniture, fixtures, leasehold improvements, and intangible assets.

Property, equipment, and intangible assets are depreciated on a straight-line basis over the following periods:

Furniture and fixtures	5–7 years
Equipment	3–5 years
Software	3–5 years
Leasehold improvements	Estimated life of the asset or the lease term (whichever is shorter)
Identifiable intangible assets	3–5 years

Property, equipment, and intangible assets and the related accumulated depreciation and amortization are as follows:

	<u>2014</u>	<u>2013</u>
Equipment	\$ 3,544,852	\$ 4,814,046
Furniture and fixtures	2,582,604	2,648,804

Market and Credit Risk Concentrations

The Organization's investments do not have a significant concentration of credit or market risk within any industry, specific institution, or group of investments. The Organization splits funds between multiple accounts to manage risk.

Deferred Revenue

Resources received in exchange transactions are recognized as deferred revenue to the extent that the earnings process has not been completed. During the fiscal year, these amounts were made up of entry fees for the 3-Day Series and the RFTC Series events. These resources are recorded as unrestricted revenues when the related obligations have been satisfied.

Functional Allocation of Expenses

The costs of providing the Organization's various programs and other activities have been summarized on a functional basis. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Advertising Expenses

The Organization recorded advertising expense of approximately \$58,500,000 and \$74,100,000 for the years ended March 31, 2014 and 2013, respectively and are included in marketing and communications in the accompanying consolidated statements of functional expenses. The majority of advertising was contributed. Other purchased advertising cost primarily relates to the 3-Day and the RFTC Series events.

Estimates

The preparation of the consolidated financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent Events

The Organization defines subsequent events as events or transactions that occur after the consolidated statement of financial position date, but before the consolidated financial statements are issued or available to be issued. Subsequent events are recognized in two categories: (1) recognized subsequent events, which provide additional evidence about conditions that existed at the consolidated statement of financial position date, and (2) nonrecognized subsequent events, which provide evidence about conditions that did not exist as of the consolidated statement of financial position date but arose after that date. Recognized subsequent events are required to be disclosed. Management has evaluated subsequent events through August 21, 2014 which is the date the accompanying consolidated financial statements were available to be issued, and no events have occurred from the consolidated statement of financial position date that would affect the consolidated financial statements.

2. Fair Value Measurements

At March 31, 2014 and 2013, the Organization's financial instruments included cash and cash equivalents, receivables, accounts payable, accrued expenses, and grants payable. The carrying amounts reported in the accompanying consolidated statements of financial position for these financial instruments approximate their fair values.

Investments are recorded on a three-level hierarchy for disclosure of fair value measurements. The valuation hierarchy is based on the transparency of inputs to the valuation of an asset or liability as of the measurement date. The three levels are defined as follows:

- Level 1 – Inputs to the valuation methodology are quoted prices for identical assets and liabilities in active markets.
- Level 2 – Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.
- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's categorization within the valuation hierarchy is based on the lowest level of input that is significant to the fair value measurement. Late in the 2012 fiscal year, the Organization sought to diversify its investments by adding an alternative investment vehicle. This investment consists of a diversified fund of managers who run long/short equity strategies. This change in investment strategy was made in an effort to deliver long-term returns that are competitive with equity investments, but with less volatility. It represents a modest allocation in a diversified portfolio that consists primarily of equity and bond investments, with reduced liquidity.

Notes to Consolidated Financial Statements (continued)

2. Fair Value Measurements (continued)

The Organization uses a practical expedient for the estimation of the value of investments that do not have a readily determinable fair value. The practical expedient used by the Organization for its alternative investment is the net asset value (NAV) per share, or its equivalent. Valuations provided by the fund management consider variables such as the financial performance of underlying equity positions, recent sales prices of underlying investments, and other pertinent information. In addition, actual market exchanges at period-end provided additional observable market inputs of the exit price. As such, this investment fund has been classified as a Level 3 investment and as of March 31, 2014 and 2013, was valued at \$20,021,804 and \$10,539,546, respectively.

The Organization incurred investment expenses of approximately \$308,000 and \$283,000 in fiscal years 2014 and 2013, respectively, which are included in professional fees in the accompanying consolidated statements of functional expenses. Investments at March 31, 2014 and 2013 were comprised of the following:

3. Receivables

Net receivables were approximately \$43,879,000 and \$54,619,000 at March 31, 2014 and 2013, respectively. Receivables that are expected to be collected within one year are recorded at net realizable value. Receivables that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discount rates used range from 0.13% to 2.25% at March 31, 2014. The discount as of March 31, 2014 and 2013, was approximately \$86,000 and \$184,000, respectively. The allowance for doubtful accounts was approximately \$1,186,000 and \$3,522,000 as of March 31, 2014 and 2013, respectively.

The organization maintains an allowance for doubtful accounts for estimated credit losses resulting from collection risks, including the inability of donors to make required payments under contractual agreements. The allowance for doubtful accounts is reported as a reduction of accounts receivable in the consolidated statements of financial position. The adequacy of this allowance is determined by evaluating historical delinquency and write-off trends, specific known collection risks, historical payment trends, and current economic conditions and the impact of such conditions on the donors' liquidity and overall financial condition.

Future annual receivables, net, as of March 31, 2014, are as follows:

2015	\$ 34,811,540
2016	8,675,143
2017	407,663
Thereafter	71,247
Total accounts receivable, net of allowances	43,965,593
Less unamortized discount	(86,417)
Accounts receivable, net	<u>\$ 43,879,176</u>

The RFTC Series receivables were approximately \$27,708,000 and \$31,956,000 at March 31, 2014 and 2013, respectively. These receivables primarily represent promises to give from national and local race sponsors who committed support prior to March 31 each year.

Unconditional promises to give by donors of approximately \$16,171,000 and \$22,663,000 at March 31, 2014 and 2013, respectively, are expected to be received by the Organization over periods ranging from one to three years, with the majority of the balances due within one year.

4. Grants Payable

As of March 31, 2014 and 2013, the Organization made grants to various medical and cancer centers for research, education, screening, and treatment. These agreements are subject to periodic reporting and compliance requirements and can be rescinded by the Organization for breach. Grants payable in more than one year are discounted to their present values as of March 31, 2014, at rates ranging from 0.13% to 4.82%. The grants payable at March 31, 2014, are scheduled for payment in the following fiscal years:

Year ending March 31:	
2015	\$ 144,152,821
2016	32,117,595
2017	17,334,255
2018	4,740,610
2019	401,361
Total grants payable	198,746,642
Less unamortized discount	(1,110,940)
Grants payable, net	<u>\$ 197,635,702</u>

The Organization generally funds its obligations under these arrangements from cash flows from operations and available cash and cash equivalent and investment balances.

5. Net Assets

Temporarily restricted net assets as of March 31, 2014 and 2013, are categorized as follows:

	<u>2014</u>	<u>2013</u>
Educational programs	\$ 7,479,517	\$ 1,552,092
Research grants	—	75,000
Screening programs	7,017,842	5,636,418
Time restrictions	45,322,786	59,268,384
	<u>\$ 59,820,145</u>	<u>\$ 66,531,894</u>

Permanently restricted net assets represent endowed gifts to be held in perpetuity, with the investment income to be used for breast cancer research fellowships, breast cancer educational programs, and research awards.

6. Joint Costs

The accompanying consolidated statements of activities include joint activities (activities benefiting multiple programs and/or supporting services) that include fund-raising. The joint costs were primarily for the RFTC Series and the 3-Day Series, informational materials, a website that includes fund-raising, and direct mail campaigns. The cost of conducting those joint activities was allocated as follows in fiscal years 2014 and 2013.

	2014	2013
Research	\$ 1,397,951	\$ 1,136,502
Public health education	68,760,406	78,224,636

Fund-raising	30,601,175	36,475,473
	<u>\$ 102,135,249</u>	<u>\$ 117,456,575</u>

7. Leases

The Organization has operating lease agreements for office space and electrical costs. Total rent expense was approximately \$6,000,000 and \$6,370,000 for fiscal years 2014 and 2013, respectively.

Future annual minimum lease payments due under noncancelable operating leases as of March 31, 2014, are as follows:

2015	\$ 2,887,050
2016	2,228,115
2017	1,764,905
2018	1,449,682

8. Federal Income Taxes

The Organization is a tax-exempt entity under Section 501(a) of the Code as an organization described in Section 501(c)(3) under a determination letter issued by the Internal Revenue Service (IRS). The Affiliates of the Organization have a separate group determination letter, under the umbrella of the Organization's exemption, recognizing their exempt status under Section 501(a) of the Code.

Further, the Organization has been classified as an organization that is not a private organization under Section 509(a) of the Code, and as such, contributions to the Organization qualify for deduction as charitable contributions. However, income generated from activities unrelated to the Organization's exempt purpose is subject to tax under Section 511 of the Code. The Organization did not have any unrelated business income for the years ended March 31, 2014 and 2013. Therefore, no tax liability has been provided in the accompanying consolidated financial statements.

On October 16, 2007, the Organization formed the Alliance, a social welfare organization, under Section 501(a) of the Code. Under Section 501(a), a social welfare organization is not subject to monetary limitations on lobbying expenditures that further its exempt purpose. The Alliance is a tax-exempt entity described in Section 501(c)(4) of the Code under a determination letter issued by the IRS. In 2014, the Alliance was dissolved.

The Organization is subject to a recognition threshold and measurement attribute for financial statement recognition and measurement of a tax position taken or expected to be taken in a tax return. There were no uncertain tax positions recorded in the consolidated financial statements at March 31, 2014 and 2013.

9. Retirement Plan

The Organization has a defined contribution retirement plan under the provisions of Section 403(b) of the Code (the 403(b) Plan). The Organization can match employee contributions up to 6% of employees' annual salary. All employees are eligible to make deferrals immediately. However, participants are not eligible to receive the employer matching contribution until after one year of continuous employment. The 403(b) Plan expense was approximately \$1,090,000 and \$1,084,000 for the years ended March 31, 2014 and 2013, respectively.

The Organization has a nonqualified deferred compensation plan subject to the provisions of Section 457 of the Code (the 457 Plan). The 457 Plan is maintained primarily for certain members of management. Funding is at the discretion of the Board of Directors. In fiscal year 2014, no amounts were funded or forfeited. About EY

EY is a global leader in assurance, tax, transaction and advisory services. The insights and quality services we deliver help build trust and confidence in the capital markets and in economies the world over. We develop outstanding leaders who team to deliver on our promises to all of our stakeholders. In so doing, we play a critical role in building a better working world for our people, for our clients and for our communities.

EY refers to the global organization, and may refer to one or more, of the member firms of Ernst & Young Global Limited, each of which is a separate legal entity. Ernst & Young Global Limited, a UK company limited by guarantee, does not provide services to clients. For more information about our organization, please visit ey.com.
